Girls Popplewell Cup: Liv Dampier-Crossley
Boys Popplewell Cup: George Flintoft
Junior Trophy: Kaleo Matete
Most Improved: George Thompson
House Winners: Emanuel

Inspiring Exceptional Learners

A fantastic day at the Rotherham School Swimming Sports and a special congratulations to all the children that competed so well! Great effort!

Thank you to all the family and friends that came along and supported our swimmers at the Rotherham School Swimming Sports. Congratulations to Liv, George, Kaleo, George and Emanuel House. It was an awesome day and pleasing to see the progress with all the children. A special 'thank-you' to our wonderful judges – Mrs S Macfarlane, Mrs T Topp and Mrs M Blomfield who had a busy day! We have a competitive team of swimmers competing at the Hurunui Swimming Sports on Thursday 28th February – all the best and thank-you to the parents helping with transport and supporting our children at Cheviot.

Also a big thank-you to the Rotherham Swimming Pool committee who look after the pool over the summer months as we know it takes a lot of time and care. We appreciate the work that you do!

This weekend is the Amuri Show on Saturday 2nd March. Our show art is going to be bright, colourful pastel flowers. Please make an effort to look at the artwork as they look awesome. Also we are making a big effort to support our show and are going to have fun making sand-saucers. If you have any flowers, greenery or old saucers – please send to school on Friday.

Thank-you to all the parents that have been coming along to support us with our major fund-raiser – CORN PICKING, PACKING and SELLING! This is to fund-raise for an extra teacher and to ensure we have small class numbers to provide our children with quality learning. It has been great the help we have had and remember we are having a major picking session this Thursday for the Amuri Show!

In Week 7 we have decided to have a Parents Meeting to inform our parents about the expectations, routines and how they can support their child at school. It is on **Tuesday 12th March** at 3.15 pm. It is a great opportunity to find out what is happening in the classrooms and if you have any questions or queries. Please RSVP to your child's teacher if you are able to come or not by **Friday 8th March.** Also in Week 7 we will have our Scholastic Book week where there will be a selection of great books to purchase and also the Science Roadshow for the Senior Room.

Please remember to return your "Back to School Package 2019" as soon as possible as they were due last week!

A special welcome to Macey Jopp who has started in the Junior Room as a 5 year old. We are excited to have Macey join us at Rotherham School "the best little school in North Canterbury".

Have a fantastic week
Ginny Macfarlane

REMINDER - sand saucers for the Amuri Show

The whole school will be making sand saucers on Friday between 1.30-3.00 pm. We will need helpers to come and support the children and lots of flowers to make the sand saucers (preferably small flowers). It would also be great if we could have someone help us take all the sand saucers and show art down to the show.

Please can children bring a saucer to school on Friday?

Back to School Package 2019 Forms
Please send your forms back to school **as soon as possible.** Thank you.

Triennial Board of Trustee Elections 2019
Boards of trustees provide strategic leadership and direction to their school/kura. The board works in partnership with the community, principal, teachers, support staff, and the government to ensure the best possible outcomes for all students. The importance of the partnership between a school/kura and its community cannot be stressed enough. Trustees represent their community and actively seek the input of parents, staff and students.
