

## Rotherham School

### Values Survey June 2017

Rotherham School Board of Trustees are currently reviewing the values of Rotherham School.

Our values are what one believes are important in the way one works and lives. It supports our vision, shapes our culture and reflects what is important at our school.

*Our vision at Rotherham School is to be a positive and supportive community of co-operative life-long learners where all members are encouraged to strive to be the best they can.*

*Our motto is:-- Inspiring Exceptional Learners.*

Values are important as guidelines to reach our vision and we would appreciate community support to help us decide on 3-5 strong values that are important to our unique school at Rotherham.
