Inspiring Exceptional Learners

Term 2 Week 9 (Physically at school Week 4)

Congratulations to our certificate recipients. Also the winners of the R.I.P. Reward wheel were Leo P and Riley who got to pick from the prize box and Georgia who got to have free time for her and a friend. Paige Jopp also finally got to have her lunch with the Principal.

Alert Level 1

The Ministry announced that we are now in Alert Level 1 which will mean a couple of small changes for us. You will now be able to come onto the school grounds again however we are supporting contact tracing here and we have a handy QR code poster at our entrances and office for you to use on your phone. If you haven't already downloaded the NZ Covid app the Ministry of Health's [NZ-COVID Tracer app page](#) has information to help you do that. You will need to continue to sign in if you come into any of the classroom or office areas for any reason.

Our school continues to be safe to attend, including any staff and children who are considered more vulnerable to COVID. We have a good cleaning routine in place, people who are sick are staying at home and we continue to encourage good hygiene practices.

We can now look forward to inter-school and community sport, cultural events and performances and to welcoming all of our school community on site for these activities. We are also planning increased numbers of field trips and other excursions.

We will reinstate whole school assemblies again in Term 3, as there is less than 4 weeks of school this term, we have decided to continue to focus on our own classrooms at the moment to keep the children settled and working well.

The Golden Rules for everyone at Alert Level 1

1. If you're sick, stay home. Don't go to work or school. Don't socialise.
2. If you have cold or flu symptoms call your doctor or Healthline and make sure you get tested.
3. Wash your hands. Wash your hands. Wash your hands.
4. Sneeze and cough into your elbow, and regularly disinfect shared surfaces.

5. If you are told by health authorities to self-isolate you must do so immediately.
6. If you're concerned about your wellbeing, or have underlying health conditions, work with your GP to understand how best to stay healthy.
7. Keep track of where you've been and who you've seen to help contact tracing if needed. Use the NZ COVID Tracer app as a handy way of doing this.
8. Businesses should help people keep track of their movements by displaying the Ministry of Health QR Code for contact tracing.
9. Stay vigilant. There is still a global pandemic going on. People and businesses should be prepared to act fast to step up Alert Levels if we have to.
10. People will have had different experiences over the last couple of months. Whatever you're feeling — it's okay. Be kind to others. Be kind to yourself.

Ngā mihi nui

• After School Requirements Term 2

Hurunui Junior Football League

After a successful inaugural year of age 4 - 8 football in 2019, we are again running the league in 2020.

This Hurunui Junior Football League will again run in 2020. This league is for kids aged 4 - 8, and runs for all of Term 2. There are two 'competitions': Ages 4 - 5, and ages 6 - 8, although students can move between the two to find a level that suits their ability. In this league the focus is on participation and developing skills. Nine year olds and older should register with our parent club, Hurunui Rangers.

Games will be held at Amberley, Hawarden, and Culverden schools in rotation, on Saturdays at 10am.

We will try to form teams of players who come from the same area, but this will depend on the number of players registered.

Some areas/schools will run mid-week training for their players, depending on the availability of parents or teachers to coach the kids.

The cost for registration is \$10 per child for the term - please pay on Day 1 of the competition. Funds will be used to provide equipment for the competition. Players will need to bring boots and shin pads. There are plenty of smaller football boots available for loan on game day. Team jerseys are provided.

Team jerseys are provided.

Please register your kids well in advance of the competition.

Here is the registration form link:
